In the matter of the BARNAKYLE DRAINAGE DISTRICT in the county of
Limerick.

WHEREAS certain proprietors of and persons interested in the lands upon
and adjacent to the above-named river, on or about the twentieth day of
January one thousand eight hundred and seventy-five, presented their petition 10
to the Commissioners of Public Works in Ireland, under the provisions of
"The Drainage and Improvement of Lands Act (Ireland), 1863," (herein-
after called the Act of 1863,) and the Acts amending the same, accompanied
by the proper schedules, maps, plans, sections, and estimates, together with
other particulars and information required by the said Act, showing, by 15
reference to the said maps, the boundaries and area of the proposed drainage
district, and stating the exigencies rendering the formation of such drainage
district necessary, and praying that said lands within the proposed district
should be constituted a separate drainage district under the provisions of the
said Acts: And whereas the said Commissioners referred the same to William 20
Forsyth, Esquire, civil engineer, an inspector duly appointed under the said
Acts: And whereas all notices and inquiries required by the said Act have
been duly given and made, and the said inspector has duly reported to us,
the said Commissioners, in writing, the result of his inquiries, and we, the
said Commissioners, have duly considered the same:

25

And whereas several objections to the said report have been made to us,
which we also duly considered:

And whereas all preliminaries required by the said Act of 1863 to precede
the making of this Provisional Order have been performed and complied with:
And whereas we, the said Commissioners, upon consideration of the premises, 30
are satisfied of the propriety of constituting the proposed separate drainage
district, and that the proprietors of two third parts in value of the lands in the
proposed district are in favour thereof, and have subsequently to the date of
the report of the said inspector assented thereto in writing:

Now, therefore, in presence of the power given to us by the said Acts, we, 35
the Commissioners of Public Works in Ireland, do, by this Provisional Order
under our common seal, constitute the area in the said petition and report, and

the boundaries and extent of which are set forth within yellow lines on the map to which we have caused our common seal to be affixed (and which map is deposited in the Office of Public Works in Ireland), a separate drainage district by the name of "The Barnakyle Drainage District."

5 And we do declare that the lands to be purchased for the proposed work in said district (subject to such alterations and deviations therefrom as we, the said Commissioners, may hereafter sanction) are the lands in that behalf shown and set forth in the said map and the Schedule thereto annexed, marked with the letter B, and also sealed with our common seal.

10 And we, the said Commissioners of Public Works, do, by this our Order, order and direct that the time for the completion of the necessary works in the said district shall be limited to the thirty-first day of December which will be in the year one thousand eight hundred and eighty.

And we do further, by this our Provisional Order, make the following regulations with respect to the Drainage Board:

That the Drainage Board for said district shall consist of six members.

That the following persons shall be the members of the first Drainage Board; viz.,

James Dundon, of Barnakyle (Post town, Patrickswell), in the county of Limerick, Esquire;

25 Sir David Vandeleur Roche, of Garas (Post town, Croom), in the county of Limerick, Baronet;

Richard Studdert Welsh, of Newtowa (Post town, Croom), in the county of Clare, Esquire.

30 That the first meeting of said Board shall be summoned by notice under the hands of any two or more of the said Board, published in the Dublin Gazette and some newspaper generally circulated in the said district, at least fourteen days next before the day of meeting.

That the qualification of any subsequent member of the said Board shall be that he shall be the proprietor (as defined by the said Act of 1863, and the Acts referred to therein or incorporated therewith) of not less than twenty acres of land situate within the area of the said district, or the land agent for the time being of a person being a proprietor as aforesaid of not less than one hundred acres of land situate within the area of said district, and acting as receiver of the rents and profits of such lands.

40 That the members of the first Board shall vacate their offices on the first Thursday in September in the year following the date of this Provisional Order.
